Dear Kanonberg neighbours

At the end of 2020 we expressed the hope that 2021 would be an improvement on the year that had passed. While this is true in some ways – billions of people have been vaccinated against COVID-19 and the world feels somewhat closer to normal – the improvement hasn't been quite as dramatic as many had hoped. Our thoughts remain with those who have had to say a final goodbye to a loved one during the past year.

We extend our thanks to the residents of Kanonberg for their willingness to comply with COVID-19 protocols, as required by the national government. We understand that it is not always easy. Some would say Kanonberg is singular based solely on its beautiful surroundings. Naturally we agree, but we believe the positive disposition and cooperation of our residents makes the real difference.

GOODBYE IS THE HARDEST PART

As you may have heard, we will be saying a fond farewell to Jan Kearney at the end of December 2021, after eight years of loyal service to Kanonberg. Juandr  Burger will take up the reigns as the newly appointed Facilities Coordinator in January 2022.

We would like to take this opportunity to thank Jan for the enormous contribution he has made to Kanonberg over the years. We send him on his way accompanied by our blessings and wish him great success in his future endeavours. At the same time we would like to welcome Juandr  to the Kanonberg team. We hope that his time with us will be fruitful and rewarding.

Kanonberg Office Closure

The Kanonberg office will be closed from 15 December until 3 January 2022. During this time Jan Kearney will be on the premises to take care of operational matters. In the event of an emergency, please report the matter to the security office at 021 913 0160. They will revert to the relevant person.

Also, please note that the last date for fingerprint registration will be 15 December 2021.

Builder's Holidays

The annual builder's holidays will commence on Monday, 20 December 2021. This gives all contractors, and their teams, time to wrap up ongoing projects by no later than 14:00 on Saturday, 18 December. Contractors may recommence work on 10 January 2022.

Gymnasium Times

Those wanting to put the finishing touches on their summer figures will be pleased to know that Conrad and his team will provide their services until 24 December 2021. Thereafter they will enjoy a festive break and some much-deserved rest before recommencing on 5 January 2022. The gymnasium will however remain open to Kanonberg residents during this period. Please keep in mind that the gymnasium will close at 20:00 on Sunday evenings, for sanitizing.

Opening times are subject to the national curfew in place at the time. We kindly request that all gymnasium users continue to adhere to Covid protocols.

SAVE THE DATE

A late afternoon **community braai** is being planned for **Saturday, 22 January 2022**. These events have always been tremendously popular with Kanonbergers – both young and old(er) – in the past. **Circle the date** in your diary right now, because you simply cannot afford to miss out on the fun.

Christmas Fundraiser THANK YOU

The Kanonberg Fundraising Committee would like to thank the residents who so generously contributed to the Christmas fundraiser for the gardening and security staff. **You should feel tremendously proud of the fact that your efforts resulted in R65 700 being collected.**

The funds were handed over on 10 December 2021. The recipients were overjoyed and would like to convey their gratitude to the Kanonberg residents. They enjoy working in such a lovely environment and appreciate the friendliness of the Kanonbergers.

REST AND REFLECT

Allow us a moment to extend a special word of thanks to the Kanonberg staff members who always perform their responsibilities with commitment and pride. During the last year, the team went the extra mile to ensure that all the security systems and equipment remained updated, fully operational, and that the required maintenance was kept up to date in other areas.

For the efficient way in which the gym was managed, we would like to thank and applaud Conrad van der Merwe and his team. The

unparalleled professional service rendered to gymnasium users, under difficult circumstances, does not go unnoticed.

It is truly a privilege to live in Kanonberg. May we always remember this and appreciate the time spent here with family and friends. Here we value community – the awareness that we should be looking out for each other. With that in mind, try to remain focused on making the lives of your fellow Kanonbergers a little bit more enjoyable.

We remain hopeful for 2022. It might be foolish to make a prediction as to the wonders the year ahead might produce. Although we don't know where we are headed from here, one thing is certain... It won't be boring.

We wish you a magnificent festive season. May the time spent with those you hold close to your heart be filled with joy. Travel safely – we will see you again in the New Year.

Season's Greetings

**Festive regards
Kanonberg HOA Committee**
